

## Amenities for New and Expectant Moms

In addition to serving as THE destination for new and expectant parents to find everything they need for their bundle of joy, Babies“R”Us® also offers unique guest services for moms-to-be, including maternity apparel, Stork Parking and private rooms for baby care.

### Motherhood Maternity Shops

- Destination Maternity® Corporation operates Motherhood® Maternity shops in nearly 140 Babies“R”Us stores nationwide.
- Featuring a full assortment of apparel, from casual and career to sleepwear and intimates, Motherhood Maternity shops make it easy for expectant moms to look and feel their best during their pregnancy.
- Babies“R”Us locations that offer Motherhood Maternity shops can be found online at [Motherhood.com](http://Motherhood.com).

### Stork Parking

- Babies“R”Us offers reserved parking spots located near the front of its stores as an added convenience for expectant moms.
- The use of Stork Parking is optional and available to any moms-to-be.
- The exact number of Stork Parking spots varies from store to store.

### Mother’s Rooms

- All Babies“R”Us stores feature a Mother’s Room to provide moms with a serene and comfortable environment to sit, relax and tend to baby’s needs.
- The Mother’s Rooms include comfortable seating and changing tables, as well as electrical outlets to power breast pumps.
- The Mother’s Rooms can be easily located with in-store signage.
