Free replacement train for the Step2[®] Sand and Water Transportation Station[™]

Model Number: 790300
TRU SKN#611177

A free replacement train is being provided by the Step2 Company in cooperation with the U.S. Consumer Product Safety Commission. The Step2 Company has determined that the light blue plastic wheels on the train can detach and produce a small part/choking hazard. Parents should take the train cars away from their children and call Step2[®] for the replacement or for more information. Please note that the recall does not involve trains with grey wheels.

Consumers should order the free replacement train or obtain more information by calling the Step2 Company toll free at 1-866-860-1887.
